

ADVENTURE MEETS CRAFTSMANSHIP

At Deko Safaris, we proudly partner with Splitting Image Taxidermy for all client taxidermy services.

Their team provides **exceptional quality** and **attention to detail**, ensuring your trophies are **preserved to perfection**.

You may choose to have your taxidermy completed by Splitting Image, or have your trophies **professionally dipped, packed, and shipped** to the United States for finishing by a taxidermist of your choice.
